Celebrating Lives
Through Music

Helping you to remember

Westerleigh Group supports over 70,000 families each year in saying their final good-bye to their loved ones. We also assist families to find ways of remembering, celebrating and preserving their cherished memories and we do this with exceptional care.

Our partnership with 'Our Song Request' enables us to offer you the opportunity to commission a production of a bespoke song in memory of a loved one.

This uniquely personal song will bring out the essence of your loved one's life which can be then incorporated into their farewell service or simply kept as a keepsake.

We look forward to assisting you with creating this very special recording.

A special service for your family

We understand that navigating the loss of a loved one is a deeply personal journey. Our service allows you to craft a 'Custom Song' that reflects your cherished memories, capturing the essence of your loved one's life in a way that resonates with your family and friends.

Integrating your 'Custom Song' into the funeral service

If you choose to include your 'Custom Song' in your loved one's funeral service, we'll ensure a smooth and seamless process. We'll work with your funeral director and provide them with a high-quality MP3 file for integration into your loved one's service, making it a meaningful part of their tribute.

Preserving your song lyrics

You will also receive the song lyrics, which can be included in the order of service. This allows attendees to connect more deeply with the tribute, enriching the memorial experience for all who gather to honour your loved one.

Creating your 'Custom Song' with 'Our Song Request'

Personal touch

You will have the chance to fill out a brief song request form, where you can share your preferences, memories, and any special details about your loved one. This is your opportunity to weave personal touches into the lyrics, making the song a true reflection of their journey.

“ Thank you so much, brought me to tears, absolutely beautiful. We just love it! **Laura L.** ”

Flexible timing

You have up to 12 months to submit your form, allowing you the space to reflect on your memories and decide how you want to celebrate your loved one's life. We understand that everyone grieves differently, and we are here to support you at your own pace.
